Málaga

¡Learn Spanish and make friends!

The outstanding location of this “gate to the *Coast of the Sun*” is unbeatable. The city offers the perfect mix of big city life and fun at the beach. No matter if you like art and culture, chill in the sun, make party or prefer doing sports, in Málaga you will feel like home.

The malagueños, how the Spanish people here are also called, have an easy and friendly character and welcome the visitors always with a smile.

With around 320 days of sun each year, Málaga is perfect to relax on the beach or just to go for a stroll on the promenade which is lined by palms. Málaga is a popular destination throughout the whole year, as Málaga has an average temperature of 20 degrees each year.

Each year thousands of students come to Málaga to learn Spanish. The city is great not only to learn the language but also to learn more about the culture.

Málaga is a modern city that vibrates with life and fascinates with its mixture of ancient history, but has managed it to maintain its unique Spanish culture (as well as the one of its former habitants, the Greeks, the Romans and the Moorish people, to mention only a few).

Do not only learn Spanish but experience the language with all its facets!

The School

Our School provides you with top quality Spanish Language Courses combined with high quality accommodation and lots of activities

Our school

Learn Spanish in one of the leading language schools in Málaga, Alhambra Instituto. Since 1980 our school offers Spanish courses for students from all over the world.

Our school is located in the very center of Málaga only 100 m away from the beach. The mixture of light class rooms, our nice, cooperative staff and the near location to the beach with its promenade contributes to a fantastic atmosphere.

Your language course

We have the suitable Spanish course for you! For beginners, advanced, for Seniors 50+, group courses, private (1to1) lessons, classes for groups, for business, lawyers, doctors and many more.

Our teachers

Our committed and experienced teachers (all of them native speakers) will teach you the Spanish language in an easy and understandable way.

No matter if you are beginner or advanced, our professional team promises you a successful and pleasant process in learning.

Accommodation

We have different opportunities to accommodate you in Málaga; you will see that studying together with other international students is even more fun!

For example you can live in a host family or in an apartment with other students from every country in the world who have the same aims like you: ¡Estudiar español!

Activities and Excursions

Málaga is a cultural centre with many opportunities. Visit with us the cathedral of Málaga, the castle "Gibralfaro", Alcazaba (Arabic palace), Picasso museum, plaza de toros!

Nightlife : Malaga is a charming city with a very a thriving nightlife, not only during the high season, but all year round. Party! The malagueños really know how to have fun! Just join Spanish people and just enjoy Málaga's night life atmosphere.

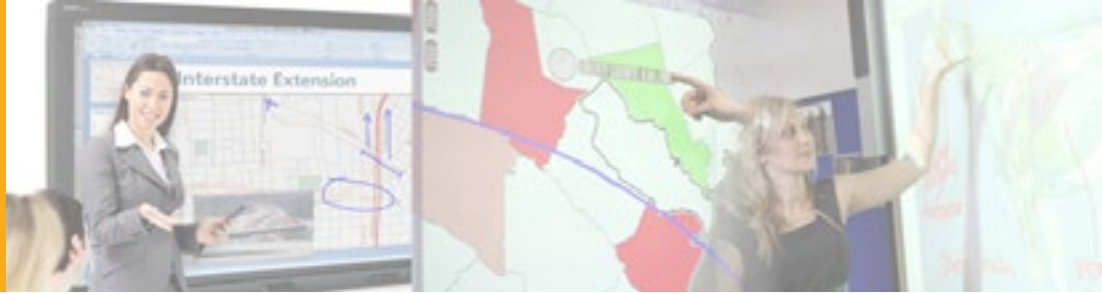

Architecture:

The main sights like the Roman theater or the castle Gibralfaro are attributable to the Roman and Moorish age.

Adaptability

Our School has ability to adapt to new and emerging technologies to ensure that students receive the highest quality intensive Spanish instruction...

Teaching with Technology

96% OF INTERNATIONAL STUDENTS SAY THEY PREFER LEARNING WITH TECHNOLOGY

The Spanish teacher: Our teachers are continuously trained in the latest technology and methods to help you learn better. They are all qualified and experienced in the use of digital technology.

The interactive whiteboard: The interactive whiteboard brings the real world into class. It is used to display audio, animation and online materials that help students engage with their coursework.

Mass development of information and communication technologies, new education programmes, multimedia technology and especially Interactive Whiteboards allow teachers to improve Spanish language teaching. Teachers have amazing tool to make their teaching more motivational, funnier and effective.

My Alhambra life

By following your personalised Study Course, participating in challenging classes and using our learning system, you can be sure that the student life in Malaga is the perfect life! The classes were challenging and efficient, their methods of teaching are unquestionably efficient and fun...
